o 12V 200Ah Deep Cycle AGM Battery o Group Size 4D Battery (20.55x9.37x8.70 in)o 3% Low Self-discharging Rate & 2 Years Warrantyo 2560Wh Energy o IP65 Waterproof Gradeo Suitable for RV, Caravan, Camping, Camper Trailers, Camper Vans, Motor-Homes, Marine, 4WDs & Off-Grid Solaro Free Delivery & Dedicated Online Serviceo Designed for Energy Storage, Instead of Engine Starting

Introducing the Ultra-Reliable Weize Deep Cycle Battery

Perfect Dimensions: This powerful Weize Deep Cycle Battery boasts a practical size, measuring (L) 20.6 inches x (W) 9.37 inches x (H) 8.66 inches. It offers a substantial weight of 58.5 kg (128.9 lbs) ? 4% for reliable, long-lasting performance. The M8 terminal type provides easy, secure connections.

Unmatched Power: Get ready for robust power with a maximum discharge current of 1600A (5 sec.). This battery is recognized by UL, reflecting its premium quality and safety.

Flexible Connections: You have the flexibility to connect these batteries both in series and parallel configurations. You can parallel connect up to four batteries. There are no limitations when connecting batteries in series. However, ensure all batteries have the same capacity (Ah), voltage (V), and battery type (AGM) for optimal results. If possible, choose batteries from the same brand.

Sealed for Safety: Our sealed design enhances safety and functionality. For optimal performance, we recommend positioning the battery upright. If necessary, it can be installed on its side, although upside-down placement is not advisable.

Longevity Matters: To prolong your battery's lifespan, avoid discharging it below 50%. When not in use, ensure you fully charge it before storage and recharge it every three months.

Ideal for Varied Applications: This battery is a perfect fit for applications requiring frequent cycling or renewable power storage. With a remarkable lifespan, this maintenance-free Deep Cycle Battery is designed for repeated deep discharge. It offers low internal resistance for efficient recharging and low self-discharge during storage. The impact-resistant ABS casing makes it the top choice for marine applications, caravans, camping, RVs, and portable solar setups.

12v 200ah deep cycle battery

Experience the power and reliability you deserve with the Weize Deep Cycle Battery. Power your adventures and renewable energy solutions with confidence.

This 200AH 12V AGM Deep Cycle Battery is perfect for applications that require either frequent cycling or renewable power storage. With a long life cycle, this maintenance-free Deep Cycle Battery is engineered for repeated maximum deep discharge. It also has low internal resistance for superior and efficient recharging and low self-discharge for when you keep your battery in storage. The impact-resistant ABS casing makes the Weize 200AH AGM Deep Cycle battery perfect for marine applications, caravans, camping, RV's and portable solar set-ups.
