Prices shown do not include any tariffs or U.S. Customs duties that may be imposed.

Buy KEPWORTH 12.8V 180Ah LiFePO4 Battery BCI Group 31, Rechargeable Lithium Batteries with 100A BMS, 4000+ Deep Cycles, for Trolling Motor, Boat, Rv, Solar, Off-Grid: Batteries - Amazon **FREE DELIVERY** possible on eligible purchases.

?No Leakage?12V 180Ah battery is comprised of gel instead of liquid, so there is no maintenance required to keep the battery working properly. Manufactured with an advanced valve regulated technology, Deep Cycle Hybrid GEL Batteries save you from acid leakage and frequent maintenance

Shop LiFePO4 Calb lithium battery with 180AH capacity for powering electric vehicles from EV Source. CALB batteries manufactured under tighter specifications.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

Take it a step further with Hi-power 48V 160AH Deep Cycle Lithium Batteries! They offer state of the art technology which is used to power electric vehicles! . Capable of reaching over 6000 cycles, These Hi-power Batteries can be re-charged thousands of times providing 100% DOD (depth of discharge) This is perfect for solar, Telecom, Wind, Marine RV, golf carts and deep cycle applications. Lighter and more compact than lithium iron phosphate.

Take it a step further with hi-power 48V 180AH Deep Cycle Lithium Batteries! They offer the latest lithium battery technology that has been developed for electric vehicles. Capable of reaching over 6000 cycles, These lithium batteries can be charged thousands of times providing 100% DOD (depth of discharge) This is perfect for solar, Telecom, Wind, Marine,RV, Golf carts and other deep cycle applications. Lighter and more compact than any other lithium batteries on the market.

Hi-power batteries lithium technology offers energy density that can easily reach 300 Wh/kg, and offers lower cost by using less nickel and more manganese.

This battery will work with all makes and models of 48v golf carts. Also works with 48v aftermarket controllers up to 600a.

180ah battery price

Compatible with Stealth electric and Elco Outboards. These batteries are compatible for 96v series operation.
