We feature offers with an Add to Cart button when an offer meets our high standards for: Quality Price, Reliable delivery option, and Seller who offers good customer service "No featured offers available" means no offers currently meet all of these expectations. Select See All Buying Options to shop available offers.

Lightalent is a specialized battery manufacturer, we focus on the field of rechargeable batteries and provide consumers with comprehensive solutions. Whether you need it for a solar light, camera, toy, or other electronic device, our battery will definitely meet your needs. Our commitment is to make each and every customer satisfied.

18500 batteries are a type of rechargeable lithium-ion battery that measures 18mm in diameter and 50mm in length. They are similar in size to a AA battery, but they offer much higher voltage and capacity.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.
