The Discover DLB-GC12-12V 200Ah LiFePO4 12.8V Deep-Cycle Lithium Battery is Maintenance-free, features an UL94 V0 flame retardant case and cover and it is IP 67 rated

The Discover DLB-GC12-12V 200Ah LITHIUM BLUE LiFePO4 Premium Series batteries offer BMS controlled safety, long life, lightning-fast charging performance and real-time Bluetooth access to battery State of Charge, voltage, current, temperature status.

The Discover DLB-GC12-12V LITHIUM BLUE batteries reflect Discover's Design for Excellence philosophy, incorporating suitcase style carrying handles, terminal protection and field serviceable fuses. Discover's Lithium Batteries are safe, easily to install and parallel for more capacity.

The Discover DLB-GC12-12V Battery offers enhanced runtime with double the high-current runtime of lead-acid battery, up to 100% usable capacity, and up to 100% Depth of Discharge. Lithium batteries from Discover Batteries offer an incredible 10x the life of lead-acid battery (BCI-06) with unlimited Partial State of Charge cycles and energy throughput warranty.

Also, an industry standard, The Discover DLB-GC12-12V Battery offers up to 5x faster than new lead-acid batteries, as well as up to 10x faster than aged lead-acid batteries, 2x faster than C/2 rated lithium batteries and an opportunity charge at 1C rate anytime, regardless of SoC.

Established in 1949, Discover Battery leads the industry in the design, manufacturing, and distribution of leading-edge battery technologies to the transportation, motive power, and energy storage industries.

200ah lithium batteries for sale

They operate multiple manufacturing facilities that produce batteries for a range of applications, including renewable energy, commercial, telecom systems, mobility, and UPS/emergency lighting.
