You are now logged out. Please let us know if you need any further information for your project.

Versatile range including desktop enclosures; small instrument cases; portable enclosures with bail arms; 19" rack mount enclosures and wall mount enclosures.

For desktop, wall mount, portable and 19" rack mounted electronics equipment. All manufactured from high quality aluminum.

View the extensive range of accessories: 19" front panels, handles, enclosure feet kits, PCB guides and fixings.

Range of universal 19" rack shelves, 19" front panels and fixings.

We can supply fully finished custom electronic enclosures with all the necessary modifications for mounting your PCBs, displays, connectors and other components.

Our manufacturing site is equipped with all the equipment required to produce fully finished enclosures and front panels - ready for mounting your electronic components.

Fully bespoke electronic enclosures can be created using our standard case components such as diecastings and extrusion profiles or from fully fabricated sheet metal components.

Read our latest company press information and our complete press releases archive.

Our blogs cover industry trends, how to's, customer applications, FAQs, international product standards and details about our new products and services.

OKW Enclosures, Inc. is the North American representative for METCASE Enclosures. We are based in Bridgeville, Pennsylvania.

Here can you download our datasheets, certificates, REACH, RoHS & WEEE statements, assembly instructions and catalogs.
