Advanced Safety Features

Our early success in the golf cart industry established Trojan as a leader. Today, we're the top battery brand among golf cart and utility vehicle manufacturers, golf course fleet managers and consumers.

"We were looking for a steep incline to show the power and performance of the Trojan Lithium OnePack. In my mind, Pikes Peak Highway is the pinnacle of any road to travel. We did it with no problem."

"The Trojan lithium batteries far exceeded our expectations. It was paramount that we choose a world-renowned brand which has got a reputation for quality, for durability, for service. The Trojan lithium batteries are a cut above."

As a leading lithium battery pack manufacturer, Bonnen Team strives to provide the highest quality engineering, production and service in order to ensure your satisfaction.

Elevate your 48V projects to new heights with Bonnen Battery, a leading lithium battery manufacturer renowned for its cutting-edge 48V solutions. Our state-of-the-art battery technology is the driving force behind Electric Golf Carts, Electric Scooters, Outboard Motors, Backup Power Systems, Robotic Vehicles, Agricultural Equipment, and more.

Unleash the Power of 48V Lithium Batteries

Are you ready to supercharge your 48V projects? Bonnen Battery is excited to introduce our latest innovation – tailor-made 48V lithium battery packs. These batteries incorporate advanced high-performance NMC and LFP batteries with smart BMS technology, ensuring unparalleled energy efficiency and performance.
