The Liebert GXT4-9A72BATKIT is a hot-swappable, internal lead-acid UPS battery kit designed for use with Liebert GXT4-3000RT120, GXT4-3000RT230, and GXT4-3000RT208, UPS systems. The 72V, 9 Ah battery is spill-proof, provides 72V DC output, includes a two-year warranty.

The Vertiv Liebert GXT4 UPS is a compact solution for maintaining the health and availability of IT infrastructure. The Vertiv Liebert GXT4 family features on-line double-conversion technology, which protects equipment against the full range of disturbances, including outages, sags, surges and noise. The Vertiv Liebert GXT4 family of on-line UPS eliminates most disturbances without drawing on battery power, extending battery life and minimizing replacements.

With the growth of IoT, high-definition content delivery and other applications that require IT equipment close to users or devices, the edge of network is exploding. The Liebert GXT4 provides the reliability and manageability mission-critical edge sites require.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.
