

90 kWh lithium battery pack

90 kWh lithium battery pack

Off Grid Solar Power Residential System

Hybrid Solar Power Residential System

Commercial Solar Power System

30-90kwh capacity optional

Over charge/discharge protection

80% DoD depth of discharge, battery cycle life>6000 times

Parallel use of battery packs meet the needs of large capacity applications

Built-in BMS multiple protection communication function to monitor data in real time

Purchasing solar power system can be complex. Here are some tips to avoid pitfalls when selecting a supplier for high-quality equipment and excellent after-sales service.
