FREE Delivery is available to Prime members. To join, select "Try Amazon Prime and start saving today with FREE Delivery" below the Add to Cart button and confirm your Prime free trial.

Important: Your credit card will NOT be charged when you start your free trial or if you cancel during the trial period. If you're happy with Amazon Prime, do nothing. At the end of the free trial, your membership will automatically upgrade to a monthly membership.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"This rack isn't top quality but it does the job, and cheaply. Assembly was a bit challenging without a second pair of hands to help...." Read more

"...Worth the money instead of buying my own strut channel and making my own set up...." Read more

"...Like I said, the supports seem OK for the price but if you are missing any parts or need support good luck. Order with caution! Edit 9/24..." Read more

"...The fasteners will strip, be careful, I did strip one. The price point is way to high for the lower than harbor freight quality being presented...." Read more

"...The mounting brackets are actually very well made and very functional for your typical glass on metal frame solar panels...." Read more

"...Kind of irritating, but functional. All hardware is metric...." Read more

"Once mounted to a stable platform, this works very well." Read more
