All orders canceled after 48 hours are subject to a \$20 administration fee, whether or not your order has shipped. If your order has shipped, you (the buyer) will also be responsible for actual return shipping charges as described on the [Shipping & Easy Returns](#) page. Refunds will only be issued to the original credit card that you use when placing your order.

You will find your cart at the "My Cart" button located at the upper right-hand side of the website. When you are prepared to complete your purchase, ensure your cart is correct and press "Checkout".

Enter your shipping/billing and credit card information and follow the instructions on the checkout page. Once your order has been placed, you will receive a confirmation email from us with the details of your order.

If you would like to place an order by phone, give us a call at 1-844-345-2677.

As soon as you place your order, you will receive an order confirmation e-mail. This means that we have received your order in our system and pre-authorized your credit card for the purchase. As soon as we receive your order, we automatically reach out to our suppliers to confirm that it is in stock and available for immediate shipment. If your item is on backorder or unavailable, we will void the pre-authorization and reach out to you via e-mail. If your item(s) are available for immediate shipment (within 5 business days), we will process the charges and submit the order for shipment.

An order confirmation message will be sent to the e-mail address you provide us for each order you submit. We recommend that you print and save the e-mail confirmation for your records. Please be sure to enter your e-mail address correctly to ensure that you receive your order confirmation.
