?BLUETTI Elite 200 V2?Coming Soon!

You could apply for the Residential clean energy credit for qualified solar electric property costs. Please verify eligibility and requirements before applying.

Oops! It seems there's a network glitch. Please try again later.

Up to two B230 or B300, one via the solar input port by a converter cable, and another one via the AC adapter inlet (Require the BLUETTI D050S - DC charging enhancer, sold separately).

Yes. B230 has a 100W USB-C, a USB-A and a 12V DC output ports, the battery module can work flawlessly when standalone.

ou can control the AC200 MAX via APP or touchscreen. But APP only can be connected via Bluetooth.
