

Chins 100ah lifepo4

Chins 100ah lifepo4

Dimensions: 12.95x6.77x8.43 inches

Operating temperatures: Charge -20°C~50°C(-4°F~122°F), Discharge -20°C~60°C(-4°F~140°F), Storage -10°C~50°C(14°F~122°F)

Standard charge current: 20A, Charging time: Approximately 6 hours

Our Smart lifepo4 battery 12V 100AH has built-in 100A BMS (Battery Management System) to protect it from overcharge, over-discharge, over-current, and short circuit and high temperature cut off.

CHINS's factory is equipped with the most advanced R& D team and equipment, and has passed UL, CE, RoHS, WEEE and PSE quality system certification.

With 20 years of battery expertise, CHINS has always contributed to a green life, we firmly believe that "Green Leads Life".

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"...Much better than the AGM's they replaced - charge lasts longer, lighter weight and capacity is more deterministic - I always felt the AGM's SOC was..." [Read more](#)

"...We are full time and this battery has served us well! Plenty of juice to get us thru a night or two boondocking...." [Read more](#)

"The battery seems ok performance wise. However I purchased one of these previously, and decided to add a second...." [Read more](#)

"...The battery has been idle now for over a month and has shown no loss of power. Very pleased." [Read more](#)

"...at a very competitive price point, including a robust BMS, built-in bluetooth, app-based SOC monitoring, and a self-heating function for cold-..." [Read more](#)
