

Dakota lithium 12v 12ah battery

Dakota lithium 12v 12ah battery

Built for high performance in cold Dakota winters, this 12 volt, 20 amp hour (Ah) ...

Best in class 11 year warranty. Deep cycle, marine, golf cart, automotive, car, and ...

The Dakota Lithium 12V 320Ah Deep Cycle LiFePO4 Lithium Battery from Nomadic Supply Company® is our biggest and most energy-dense battery yet – ready for long nights in the ice hut, or long days rolling the open road in your camper van. Built out of Lithium Iron Phosphate (LiFePO4) technology this Dakota Lithium 12V 320AH Deep Cycle LiFePO4 Lithium Battery is built to last.

The Dakota Lithium 12V 320Ah Deep Cycle LiFePO4 Lithium Battery from Nomadic Supply Company® is our biggest and most energy-dense battery yet – ready for long nights in the ice hut, or long days rolling the open road in your camper van. Built out of Lithium Iron Phosphate (LiFePO4) technology this Dakota Lithium 12V 320Ah Deep Cycle LiFePO4 Lithium Battery is built to last.

With a lifespan of 3,000 charge cycles, the Dakota Lithium 12V 320Ah Deep Cycle LiFePO4 Lithium Battery will last up to 5 times longer than your typical SLA battery – providing exceptional value over time. Optimized for marine/boating, solar energy, RVs & electric vehicles.

The Dakota Lithium 12V 320Ah Deep Cycle LiFePO4 Lithium Battery is built with Dakota Lithium's legendary LiFePO4 cells. 3,000+ recharge cycles (roughly 5-year lifespan at daily use) vs. 500 for other lithium batteries or lead acid. Optimal performance down to minus 20 degrees Fahrenheit (for winter warriors). Plus twice the power of lead-acid batteries at half the weight.

Our Dakota Lithium 12V 320Ah Deep Cycle LiFePO4 Lithium Battery includes our best-in-class 11-year warranty.

Built for use as house batteries in RVs, Campers, Van builds, or any vehicle where you are camping or working off-grid in comfort, our Dakota Lithium 12V 320Ah Deep Cycle LiFePO4 Lithium Battery will give you twice the run time as your AGM or lead acid house battery while lasting 4x longer, providing exceptional lifetime value. Plus Dakota Lithium's signature LiFePO4 technology is the best chemistry for solar panels, performs at temperatures down to -20 F, and weighs half as much as an old-fashioned SLA, providing superior performance while shedding pounds off your vehicle.

When you go off the grid during a Dakota winter you need to be prepared for all that mother nature can throw at you. With the new DL+ 12V 320 Ah battery, we built our most compact and powerful battery yet – ready for long expeditions in your RV, extended ocean voyages in your boat, or plenty of power for your off-grid system. Engineered for maximum energy density, this battery has 320 Amp Hours of capacity in a

Dakota lithium 12v 12ah battery

waterproof battery case the size of a single 100 Amp Hour battery. That's 6X the amount of usable power of a single group 31 AGM battery. Plus, up to 1,000 cold cranking amps of engine starting power, making this battery the ultimate single battery solution for boats, RVs, or any vehicle where you need a house battery that can jump-start your engine.

Built out of Lithium Iron Phosphate (LiFePO₄) technology and reinforced with a ruggedized marine spec plastic case, this is a battery built to last. With a lifespan of 5,000 charge cycles this battery will last up to 6 times longer than your typical AGM battery – providing exceptional value over time. Optimized for marine/boating, solar energy, RVs & electric vehicles. LiFePO₄ optimized charger included. 11-year warranty. This is our original 100Ah battery, re-engineered with 180% more capacity in a similar-sized case.

****The DL+ 12v 320Ah battery is a Group 31-sized battery. The bottom footprint dimensions are 13.31'x7.24'x10'H (338mm x 202mm x 252mm) and will fit in most Group 31-sized battery trays. The top of the DL+ 12v 320Ah is a little wider, incorporating handles, the dimensions at the top are 15.06'x7.24'x10'H (383mm x 184mm x 254mm) which means, some Group 31 size battery boxes may not be compatible.****

WARRANTY Best in Class 11 Year Warranty. That is 10 years more warranty than most lead acid batteries.
