Help prevent power outages by managing your vegetation this season. Learn the best practices for keeping trees clear of powerlines.

Evoenergy customer survey: the future of our energy network

Keep an eye out for energy vampires this Halloween

The 2025 Apprenticeship Program is open for applications!

We own, maintain and operate the electricity distribution network in the ACT and the gas network in the ACT and parts of NSW. We supply safe, reliable and cost-effective electricity to over 200,000 residential and business electricity customers, and over 140,000 gas customers.

We're focused on safety, reliability, innovation and sustainability when it comes to our energy networks.
