Utilities Kingston provides water and wastewater services to customers throughout the city of Kingston, as well as gas and electricity services to customers in central Kingston. Viewmaps of the utility service areas. Additionally, our local and reliable water heater rental services are available in Kingston and the surrounding area.

This page provides links to the rate schedules for all the services provided by Utilities Kingston.

Rates for the municipal water and wastewater utilities are approved by the council of the City of Kingston.

View therates for water and wastewater utilities.

Rates for the gas utility are approved by the council of the City of Kingston. The City of Kingston natural gas rates by-law allows Utilities Kingston to review its natural gas commodity, and transportation & storage rates on a quarterly basis, for possible adjustments February 1, May 1, August 1, and November 1 of each calendar year. These rates are based on market costs.

Kingston Hydro bills its standard supply service residential and small business customers based on Time-of-Use (TOU) pricing, Tiered pricing, or Ultra-Low Overnight (ULO) prices (beginning November 1, 2023) for the electricity commodity portion of their bill. It's distribution rates are approved by the Ontario Energy Board.

The Tariff of rates and charges is available from the Ontario Energy Board and at [kingstonhydro](#) .

# Electricity kingston

If you're a residential or small business customer who pays Time-of-Use (TOU) electricity prices, you can choose to switch to Tiered or Ultra-Low Overnight (ULO) prices.
