

Energy management vientiane

Luang Prabang, 12 February 2024 – The ASEAN Centre for Energy (ACE) and the Ministry of Energy and Mines of Lao PDR are delighted to announce that the 24th ASEAN Energy Business Forum (AEBF-24) is set to convene in Vientiane, Lao PDR, from 25 to 27 September 2024. The forum will align with Lao PDR's ASEAN Chairmanship under the theme, "ASEAN: Enhancing Connectivity and Resilience," spotlighting the paramount importance of regional collaboration in fostering connectivity and energy resilience.

Dr. Akomdeth Vongsay, Director General of the Department of Planning and Cooperation, Ministry of Energy and Mines, and Senior Official on Energy (SOE) Leader of Lao PDR expressed his delight in hosting AEBF-24 in Lao PDR during its ASEAN Chairmanship. He stated, "We are pleased to host the 24th ASEAN Energy Business Forum (AEBF-24) this year. It is a testament to Lao PDR's commitment to advancing regional cooperation in the energy sector. Under the theme of 'Enhancing Connectivity and Resilience,' we aim to strengthen ASEAN's connectivity, promote economic integration, and fortify the region's energy resilience."

AEBF-24 will be held in conjunction with the 42nd ASEAN Ministers on Energy Meeting (AMEM-42) and the 4th ASEAN International Conference on Energy and Environment (AICEE). It will feature various activities, including High-Level Panel Discussions and Minister-CEO Dialogue, providing a platform for thought leaders, policymakers, and industry professionals to discuss crucial energy challenges and prospects in the ASEAN region.

Established on 1 January 1999, the ASEAN Centre for Energy (ACE) is an intergovernmental organisation within the Association of Southeast Asian Nations (ASEAN) structure that represents the 10 ASEAN Member States' (AMS) interests in the energy sector. ACE supports the implementation of the ASEAN Plan of Action for Energy Cooperation (APAEC), a blueprint for better collaboration towards upgrading energy. The Centre is guided by a Governing Council composed of Senior Officials on Energy from each AMS and a representative from the ASEAN Secretariat as an ex-officio member.

Keeping the region's improvement, sustainable and harmless to the ecosystem is a fundamental concern of the ASEAN energy sector. Hosted by the Ministry of Energy and Mineral Resources of Indonesia, ACE's office is located in Jakarta, Indonesia. Visit ACE website: aseanenergy.org

ASEAN Centre for Energy (ACE) is an intergovernmental organisation within ASEAN structure that represents the 10 ASEAN Member States" (AMS) interests in the energy sector.

Vientiane, 27 June 2024 - The ASEAN Centre for Energy (ACE) will be organising the 24th ASEAN Energy Business Forum (AEBF-24) from 25-27 September 2024 at the Lao National Convention Centre, hosted by the Ministry of Energy and Mines (MEM) of Lao PDR as part of the country's ASEAN Chairmanship. Held in conjunction with the 42nd ASEAN Ministers on Energy Meeting (AMEM-42), the forum aligns with Lao PDR's ASEAN Chairmanship under the theme "ASEAN: Enhancing Connectivity and Resilience," providing a platform for knowledge exchange among government officials, academics, industry leaders, investors, and energy experts.

During the media briefing, Dr. Soukvisan Khinsamone, Deputy Director General of Department of Planning and Cooperation, Ministry of Energy and Mines of Lao PDR, remarked, "Hosting AEBF-24 is a testament to Lao PDR's commitment to advancing regional cooperation in the energy sector. This forum will not only showcase Lao PDR's advancements in sustainable energy but also strengthen our collective efforts towards a resilient and interconnected ASEAN energy future."
