FREE Delivery is available to Prime members. To join, select "Try Amazon Prime and start saving today with FREE Delivery" below the Add to Cart button and confirm your Prime free trial.

Important: Your credit card will NOT be charged when you start your free trial or if you cancel during the trial period. If you're happy with Amazon Prime, do nothing. At the end of the free trial, your membership will automatically upgrade to a monthly membership.

This item has been tested to certify it can ship safely in its original box or bag to avoid unnecessary packaging. Since 2015, we have reduced the weight of outbound packaging per shipment by 41% on average, that's over 2 million tons of packaging material.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"...No frills, just works." Read more

"...I have not used it for Level 2 charging yet, but the Level 1 charging worked flawlessly. I would buy this one again over more expensive options." Read more

"This is the best product to use. I am using it and I have found it to be very efficient and power saving. Easy to use and can be carried anywhere...." Read more

"...The simple interface works well, I was able to quickly change amperages and there were several settings which is important when you don't know the..." Read more

"...This one is made well with thick cable and quality components, and can manage 40V which would charge my EV in only a few hours from empty...." Read more

"...Easy to use and can be carried anywhere. It helps to charge early, I would suggest to surely buy and use the product to experience the efficiency." Read more

"... has excellent build quality and is easy to use...." Read more

"I love how easy this charger is to use! I did extensive research prior to purchasing this charger. I am new to EV's and this is my first Tesla M3...." Read more
