

Exide lifepo4 battery

Exide lifepo4 battery

The battery's ultra-lightweight design reduces the overall weight of your bike, ...

Nexcharge Lithium-Ion battery system is a top-tier product from Exide and is designed to offer dependable backup energy for critical applications. Its advanced features, such as the Battery Management System (BMS), and capability to parallel up to 16 batteries make it an ideal solution for efficiently maintaining sites and optimizing their overall performance.

The Nexcharge Lithium-Ion battery system is a top-tier product from Exide and is designed to offer dependable backup energy for critical applications. It is a 4.8kW hour battery with 3000 cycle life. It is a 100AH battery at 48V. Its advanced features, such as the Battery Management System (BMS) and capability to connect in parallel up to 16 batteries make it an ideal solution for efficiently maintaining sites and optimizing their overall performance.

These are rack mounted batteries to help in space management and saving space when multiple batteries are mounted together. This battery comes with a 5 years onsite warranty support.

Warranty: Nexcharge comes with 5 years onsite warranty.

Flin Technologies Private Limited 1601 Montreal Tower, Shastri Nagar Lokhandwala, Andheri West Mumbai, MH - 400053, India

Flin Technologies 43786 Virts Hollow Lane Centreville, VA 20120 USA

Transform your fleet through smarter electrification. Welcome to the solution Material Handling battery based on the Li-Ion system with outstanding cell performance. For greatly improved reliability, safety and TCO.

The intelligent lithium ion-based energy storage solution is the biggest number when it comes to safeguarding your data.

Solution Mega - Battery Energy Storage Systems (BESS) is based on Li-Ion battery technology. Combining sustainable energy storage, independence from conventional energy sources, and continuity of high-power supply with significant monetary benefits.

Automotive, marine, heavy duty, powersport, lawn & garden, and golf cart battery applications
