To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

Rain, snow and frost will not affect this charger's ability to charge your devices. This handy window solar charger is lightweight and easy to take with you wherever you go. It can charge two devices at once and also has a flashlight with a strobe, SOS and steady light stream.

High Capacity 24000mAh A grade Li-Polymer battery, can charge most phone 10+ times. Foldable design and portable size so you can bring it anywhere. Dual Output allow you charge 2 devices at the same time. Waterproof and standard USB ports offer complete compatibility for phones, tablets, laptops and more. Feelle solar charger with 3 solar panels is faster than normal one with single solar panel. However, compared with charging by outlet, Charging by Solar panel is slow, it needs about 35-40 hours to be fully charged.
