Authenticated and Batch Tested Lithium-Ion Batteries. Find out more about our journey.

Designed by our multi-award winning team here at Fogstar UK, the Fogstar Drift 12V 460Ah Lithium Leisure Battery can be used across a wide range of applications, from solar energy to camper and caravans, golf carts to electric wheelchairs, marine and boating.

The Fogstar Drift Lithium Leisure Batteries offer a phenomenal cycle life, low environmental impact and a superb 10 year warranty.

Manufactured using Grade A EVE LiFePO4 Lithium cells, high discharge 250A JBD BMS, built in Bluetooth and Heating as standard - our new Lithium Leisure Battery collection offers everything you'd expect in a premium product.

Thanks to BMS adaptations, you can safely connect up to 4 Drift batteries in series or parallel.

All batteries come with access to our Fogstar Drift App, enabling you to check your state of charge, cell voltages and charging progress. The Fogstar Drift app is free to download on both Android and iOS.

Want to learn more about Fogstar Drift Leisure Batteries? Check out our blog and find out how our Worcestershire-based team went about creating the UK's best value LiFePO4 Leisure Battery brand.
