With the establishment of Public Utilities Regulatory Commission (PURC) under Act 538 of 1997 to approve prices, among others on the regulated market in the country, charges for electricity are in accordance with PURC's approved tariff in force at the time and are obtainable at ECG's local offices throughout the country.

I have just completed my building and some "Staff" of ECG are demanding some amount of money to get me connected to the National grid. What is your procedure for service connection?
