Growatt infinity 1300 generator

Growatt INFINITY 1300 Portable Power Station

Feature Winner One-Stop Energy Solution

Growatt INFINITY 1300 lets you work anywhere and complete any project since its 1382Wh capacity and 1800W output are capable of powering even your heavy-duty devices. It's perfect for off-grid living, camping, tailgate parties, emergency preparedness, and more.

Superior Durability with 3000+ Life Cycles.

Over / Low Temperature Protection

Over / Low Voltage Protection

Ultra-Reliable Home Backup with EPS

With less than 20ms Switching Time, you never have to worry about losing power at home or losing progress on important work in the event of a power failure. Everything from lights in highly-used rooms and fridges to medical devices, computers, and more won't fail.

Using bi-directional inverter technology, INFINITY 1300 can be fully charged in 1.8 hours with a single AC charging cable without any cumbersome adapter.

Solar Winner with Unparalleled Performance

INFINITY 1300 emerges as a winner among solar generators to rapidly gain unlimited power outdoors and effectively cut downtime for emergencies. Equipped with a built-in MPPT controller, you can replenish power more efficiently with solar panels, Achieving a full charge in 2.5 hours.

INFINITY 1300 has 14 outputs for almost 95% of electronic devices. With AC outlets, DC outlets, USB A ports, USB C ports, and a wireless charging pad, you can easily power home appliances and charge portable electronics simultaneously.
