Aoife MacEvilly Commissioner, Commission for Regulation of Utilities

Aoife MacEvilly has been a member of the Commission for Regulation of Utilities (CRU) since October 2014 and was appointed Chairperson in February 2020. Her lead responsibilities include empowering and protecting customers, supporting active customers and communities and the future role of gas in a secure, decarbonised energy system. Aoife previously worked in the Department of Environment, Climate and Communications and in the private sector. She holds a BA in European Business and German from Ulster University, a Professional Diploma in Regulatory Governance from UCD and an MA in Leadership from UCD Smurfit.

Dave Kirwan Managing Director, Bord G?is Energy

Eamon Ryan TD Minister for Environment, Climate and Communications

Tanya Harrington Chairperson, Renewable Energy Ireland

Dr Tanya Harrington is the Chairperson of Renewable Energy Ireland. Tanya is a public policy and regulatory affairs professional with over 20 years' experience in helping organisations drive the effectiveness and performance of their policy-focused teams. Tanya currently serves as An Post's Chief Regulatory Affairs Officer, leading the development of the Company's comprehensive and integrated regulatory strategy and leading An Post's engagement with government and regulatory authorities and stakeholders at international, European and domestic levels. Before joining An Post, Tanya spent six years in consultancy, advising a range of Ireland's largest companies on matters of public policy, government affairs and economic regulation across a range of economically regulated sectors.

Brian ? Gallach?ir Associate Vice-President of Sustainability, UCC

Brian ? Gallach?ir is Associate Vice-President of Sustainability at University College Cork, delivering on UCC's ambitious plans to consolidate its role as a leading university of sustainability. Brian established energy systems modelling capacity in Ireland over the past 20 years and is a recognised international leader in this field, including as elected Chair of International Energy Agency Technology Collaboration Programme. His research has underpinned Irish and EU energy and climate mitigation policies and energy company strategies.

Dr Anouk Honor? Senior Research Fellow, The Oxford Institute for Energy Studies

Ireland solar energy

Dr Anouk Honor? is a Senior Research Fellow & Deputy Director of the Gas Research Programme at the Oxford Institute for Energy Studies. At the OIES, her research focuses on gas market fundamentals in Europe with a particular emphasis on gas demand, energy and decarbonization policies in the European Union and in individual countries, power generation and the decarbonization of the heating sector.
