

Led power supply plastic case electric

Led power supply plastic case electric

Constant voltage power supply equipped with plastic housing. Slim shape and ...

TECHNICAL CHARACTERISTICS

Constant voltage power supply equipped with plastic housing.

Slim shape and compact dimensions.

Specially designed for: Outdoor LED Signage application 100% full load

Features: Enhanced input voltage range 100-250 V High protection level of IP67 including cable 5 years warranty

IP67 waterproof plastic enclosure, NEMA 6P enclosure, Weatherproof enclosure, UV-protect enclosure, Pole mount enclosure, Access point enclosure, IOT gateway enclosure, LoRaWAN enclosure

The Waterproof Handheld Enclosure can be applied to industrial IoT, LoRa, SIGFOX, GPS car/motor tracker, medical controller, outdoor monitoring equipment, Smart Beehive Scale equipment, swimming pool timer, hardness test, ultrasonic test, layer test, building material test, radiation monitor. Oxygen, Carbon, Dioxide, Ozone, Monitoring Equipment, Temperature and Humidity Sensor Equipment, Water Tank Pressure Test, Liquid Level Test, Food Temperature, Car Flow, Alarm, Speed Test for Athletes

Diecast Aluminum Enclosures

Diecast aluminum enclosures are used for housing sensitive electronic assemblies in indoor and outdoor environments.

Aluminum enclosures offer a natural level of EMI shielding for devices and applications.

From basic aluminum project boxes to dependable watertight aluminum enclosures, browse an assortment of styles and sizes.
