INDUSTRY LEADING SPEAKERS

Endorsed by the Ministry of Environment and Energy, the Lisbon Energy Summit & Exhibition 2025, the Iberian region's leading energy transition event, will welcome over 2,000 visitors to Lisbon, Portugal, a world leader in new energies and technological innovation, on 3 - 4 June 2025.

Ministers, policymakers, project developers, investors and innovators will engage at a 2-day high-level strategic conference sharing insights into transitioning the E.U.'s energy system to one based on renewables and in line with the REPowerEU initiatives. Showcased across the exhibition's hydrogen & decarbonisation, solar and innovation zones are the products and projects that will deliver this cleaner, greener energy system.

Join the international exhibition as a visitor, or book your delegate pass to access the Strategic, Hydrogen & Decarbonisation and Climatetech conferences.
