Shenzhen Washi Energy Co., Ltd.

Room A503, Building A, Lankun Group, Baoxin Road, Dajingshan, Buxin Community, Xin"an Street, Baoan District, Shenzhen

At WattCycle, we stand behind the quality and performance of our batteries. We offer a comprehensive warranty to ensure your satisfaction with your purchase.

Please read the product manual carefully before installing and using the product, and use the battery correctly under the instructions of the manual.

WattCycle warrants that the product will be free from defect in workmanship and material to the original consumer purchaser. The warranty period starts on the date of purchase by the original consumer purchaser.

1. For the battery >50Ah, the warranty period is 5+2 years. (Extra 2 years warranty service is only for customers of official website.) 2. For the battery ≤50Ah, the warranty period is 3 years. 3. For the battery charger, the warranty period is 2 years. 4. For other battery chargers, the warranty period is 1 year.

Any defects in material, workmanship of your product will be covered after you provide any valid proof of purchase and information including but not limited to:

1. A purchased order number made through WattCycle official stores. 2. Sales invoice or order confirmation email that clearly shows the description of the product, its price, and sales channel.
