Michael rittal management

Our executive management team is committed to advancing the organization through thoughtful, experienced leadership and enhancing the lives of our employees, customers and partners.

Andreas Ruzic CEO Rittal USA / EVP North America

Andreas joined Rittal in May 2021 and is the CEO of Rittal in the U.S. as well as the Executive Vice President for our Canadian and Mexican subsidiaries.

In this role he is focusing on the customer experience, leading the executive team and growing the business while building strong relationships with our partners, customers and future customers.

Andreas graduated in Industrial Engineering at the University of Applied Sciences in Rosenheim/Germany and brings over 20 years of senior and C-level experience covering a variety of industries including manufacturing, aviation & aerospace, retail, telecommunications, and supply chain management.

Robert joined Rittal in July of 2021 as the CFO of Rittal in the U.S. He earned his Bachelor's degree in International Business from Illinois State University and his Master's (MBA) in Accounting from DePaul University.

Robert comes with tremendous knowledge of over 30 years of experience managing Accounting, Finance, Information Technology, Purchasing, Logistics, Treasury and other support functions as part of US and overseas operations of global enterprises in various industries including manufacturing, automotive, industrial equipment and electronics.

Robert has worked in the US, Japan, China, France and various other locations including a 3-year assignment in Germany with his family. He is passionate about people and achieving success by building and nurturing high performance teams.

Kris Cannon-Schmitt COO

Kris joined Rittal in August 2022 as the Chief Operating Officer (COO) for North & South America, supporting Canada, USA, and Latin America. In this role she is focusing on building strong plant operations, logistics, and transportation solutions to meet the growing demand of our customers.

Kris graduated with an Industrial Engineering degree from The University of Iowa and an MBA from St. Ambrose University. She brings over 20 years of senior management experience covering a variety of areas including manufacturing, supply chain management, marketing, sales operations and customer engagement.
