Moray Council Office, High Street, Elgin, Moray, IV30 1BX, Scotland, United Kingdom

Recycling centres will re-open in Moray from Monday 1 June, with strict physical distancing in place at Chanonry in Elgin, Waterford in Forres, Gollachy in Buckie, and Keith.

More than 2,500 booking slots are available across the centres weekly.

Online booking is strongly encouraged, however for residents without internet access, bookings will be taken via phone to the council's contact centre.

Cars will have access to the site - no pedestrians, trailers or other larger vehicles like vans and trucks will be permitted.

Residents will be able to dispose of household waste including bagged general waste, small electrical plug-in items (not bulky waste including white goods) and bagged garden waste, which they'll be asked to empty when unloading into the garden waste skip.

Materials including soil, glass, metals, bulky waste, wood and rubble will not initially be accepted.

Moray Council's kerbside bulky waste service has been reinstated, and unmanned recycling points and bottle banks are accepting glass recycling.
