Wellington gets a decent level of sun hours and off grid solar systems work well there.

We supply the best grid tied, hybrid and off grid solar P.V systems using German designed inverters and dual glass solar panels.

You can also contact us on 0800-2-GO-SOLAR / 0800-2-46-76527

Our Wellington Solar Installers are fully qualified electricians with specialist training and experience in off grid solar installation.

We do off grid solar power installations for tiny houses and batches as well as large homes, farms and life style blocks up to an industrial size.
