Ottawa solar incentives

Ottawa DER Large Solar PV Funding Incentive. Eligible Ottawa-area ...

If solar, or other distributed energy resources aren't a right fit for you, there ...

Everything you need to know to get started on your energy retrofit journey.

By 2050 all Ottawa homes need to be near net zero emissions. Here's how to get your home ready.

There's something for everyone, homeowners and renters – rebates, incentives, subsidies and low-interest financing to make your home more energy-efficient.

From energy coaches to a dedicated hotline, learn what services are available to help you make your retrofit a success.

Smart upgrades can significantly reduce your home's energy use and costs. Here's just a sample of the energy savings you can realize with a few key upgrades.

Upgrade attic insulation

Energy-efficient windows

We understand that some of our customers may be affected by the Canada Post service disruption where mail delivery could be delayed. Take steps now to ensure continued access to your Hydro Ottawa bill and account information online. [Learn more](#)

Various funding opportunities, incentives, grants and savings are accessible to enhance your business operations. Whether you want to increase efficiency, improve energy management, reduce your carbon footprint or simply save money, a wide range of options are available.

Save on Energy Programs are offered by the Independent Electricity System Operator (IESO) to promote energy efficiency and conservation in Ontario.
