Since inception, we have been touching lives and breaking boundaries in Pakistan's energy landscape. Join us in celebrating 28 Years of Excellence, Success, and Progress.

Innovation is a core part of Cnergyico's DNA, and our SPM facility - the first of its kind in Pakistan - is a testament to our commitment.

9th,10th Floor, The Harbour Front, Dolmen City,HC-3, Block-4, Marine Drive, Clifton,Karachi-75600, Pakistan.

Our Battery Storage Solutions offer numerous advantages:

Our process ensures a tailored and efficient implementation:

Reach out to us today and enhance your solar energy system with our innovative Battery Storage Solutions, designed to empower you with greater control and efficiency.

Quantum Engineering specializes in bringing you reliable, sustainable and affordable solar solutions for your home.

Quantum Engineering understands that every business has its own unique energy requirements.

In Pakistan, the industrial sector faces significant power challenges, including frequent energy shortages.

We use top-quality solar panels from international brands for all our solar installations in Pakistan.

Grid-tied inverters are connected to the grid, and net metering is mandatory for this inverter type.

Harness the power of the sun with Quantum Engineering's innovative solar energy solutions.
