Discovering and tracking projects and tenders is not easy. With Blackridge Research's Global Project Tracking (GPT) platform, you can identify the right opportunities and grow your pipeline while saving precious time and money doing it.

Identify and track Suriname's latest hydroelectric power plant projects in upcoming, tenders, contract awards, under-construction, and completion stages. Find potential opportunities to get involved as a contractor, supplier, or other partner. Our extensive database and user-friendly interface make it easy for you to find the right business opportunity.

Upcoming, Tenders, Contract Awards, Under-construction, and Completed Projects.

Pre-qualification, Main Contract Bid, and Bid Evaluation Projects.

Projects currently in pre-construction and under-construction.

Projects that have been successfully completed and are operational.

Never miss another business opportunity. Our cutting-edge AI-powered technology, Black, continuously scans and monitors hundreds of thousands of news and tender sources worldwide, uncovering all the upcoming/scheduled grid-scale/utility scale energy storage system (ESS) projects in Suriname. Our expert research team then processes and delivers this information to you through our Global Project Tracker platform, giving you a competitive edge in the industry.

We provide important information on all the upcoming/announced grid-scale/utility scale energy storage system (ESS) projects in Suriname, including project requirements, timelines, budgets, and key contact details to help you select the best business opportunities for your company. We provide valuable industry insights to grow your business in the local market by finding potential partners, suppliers, and customers.

Increase your chances of winning more work with Global Project Tracker's upcoming/announced grid-scale/utility scale energy storage system (ESS) project leads database by discovering the perfect projects in Suriname that align with your requirements and goals. Leverage GPT's in-depth project insights to make valuable connections with key decision-makers and secure new business before your competitors do.
