Riapow solar power bank manual

brands included: Riapow, Dongguan Jili Intelligent Technology, Yuwei Technology, Yuwei Technology Dongguan.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"I love the idea and convenience of the wires being built in. The first type I ordered came without built in wires...." Read more

"It's very rugged and convenient with the cords being built in. The solar charger barely charges it but other than that it is amazing...." Read more

"Not for Florida level of death heat rays, it imploded due to that. Super convenient and user friendly otherwise!" Read more

"...So now we have a very large, cumbersome, very heavy charger that is not solar, takes forever to charge one device, and uses up most of its charge..." Read more

"...I also love that cables are attached and has USB ports to add your own." Read more

"...and have purchased them for multiple family members the convenience of the built in cords is next level!" Read more

"...They will be camping with no electricity. He loves that it has the cords built in and and a flashlight. He loves it!" Read more

"I like the built in cables for charging! The flashlight is also handy. Being able to charge by sunlight or charger works well for camping too...." Read more

"...is heavy when compared to most external battery packs but it packs so many features,..." Read more

"We are very happy with the features and it is being hand delivered to Ukraine for an evacuee to assist her getting out and being able to recharge..." Read more
