Growing Victoria's clean energy workforce. ... Use these free promotional resources ...

The Solar Homes Program offers eligible Victorian households solar panel (PV) rebates and the option of an interest-free loan, hot water rebates, and an interest-free loan for solar batteries.

To help more Victorians save with solar and make the switch to an all-electric home:

Interest-free loans of up to \$8,800 are available for eligible households.

Solar panel rebates plus the option of an interest-free loan are available for eligible Victorian homes.

Hot water rebates of up to \$1,000 are available for eligible heat pump and solar hot water systems.

Solar panel rebates plus the option of an interest-free loan are available for eligible rental properties.

Solar panel rebates of up to \$1,400 are available for community housing organisations.
