The JDA builds on a memorandum of understanding (MoU) signed last October between Masdar and the Turkmenistan government.

The gold standard of business intelligence.

Under the MoU, the two companies agreed to explore development and investment opportunities in solar and wind power projects on a public-private partnership basis.

The solar PV plant is also Masdar's first project in Turkmenistan.

Masdar CEO Mohammed Jameel Al Ramahi said: "As a global leader in renewable energy with many projects across Central Asia, Masdar has the right expertise and experience needed to support Turkmenistan's development of its renewable energy sector.

"We welcome the signing of the JDA and hope the 100MWac project will be the first of many Masdar projects in Turkmenistan."
