Solar installation san jos 233

Highlight Solar is the leading residential and commercial battery and solar installation company in San Jose and the San Francisco Bay Area

We use satellite imagery to check your rooftops and surrounding areas to gauge feasibility of a solar installation. Potential surface area of solar panels is then calculated.

We seek out best-in-class, highly reliable, yet affordable products for your solar & battery installation. Highlight Solar works directly with leading manufacturers.

You are then contacted with a complete quote listing product and installation costs. We also provide you estimated energy savings so you can make an informed decision.
