Tom moloughney state of charge

Tom Moloughney is a senior editor for InsideEVs and has been covering the electric vehicle scene since 2010. In addition to his many years at InsideEVs, Tom has written for Forbes, Plugincars, GreenCarReports, and BMWBLOG. Tom's a former director at Plug In America where he is a co-creator of the PlugStar electric vehicle dealership training and certification program. Tom has worked with over 300 dealerships in the US to improve staff electric vehicle knowledge and train them on how to sell more EVs. Tom is also the creator and host of the EV charging channel, State of Charge. Find out what Tom drives in this What Do I Drive? article.
