

# Vienna electricity distribution

Vienna electricity distribution

The proceedings of the CIRED Vienna 2024 Workshop will be published on the IET ...

The distribution system operators (DSOs) and the electricity distribution networks ...

Bring your brand to the electricity distribution industry's decision-makers, ...

Attracting 1,600 conference attendees and 3,000 exhibition visitors from 60+ countries, CIRED 2025 is your opportunity to hear new research, ideas and initiatives; and interact with hundreds of key decision leaders in the electricity distribution field.

Your CIRED experience will include talks from leading names in the industry, round table debates and R&D-based research information forums.

CIRED's famous guided poster tours are your opportunity to meet the authors of the newest research and talk to them about their work.

The exhibition will feature over 100 vendors and service providers, and is the place for you to meet and do business.

You will have the chance to network with a wide range of delegates from the utility, product, consultancy, service and business sectors of the distribution industry.

Conference Chair, Lukas K?ng, Managing Director at Primeo Energie, welcomes you to the conference and tells you more about what you can expect at CIRED 2025.

Join us for a free webinar on how DSOs use flexibility to deliver the low-carbon energy transition now and in the future. Taking place on Monday, 9 December, at 14:30 CET. You'll hear speakers from Vattenfall, Siemens, EPRI, Grenoble INP-UGA, and Universit? di Cagliari.

With 1,600 conference attendees from 60+ countries and 3,000 exhibition visitors, CIRED is the place to be seen and drive new business.

See how you can bring your brand to the electricity distribution industry's decision-makers.
