

Wall mounted lithium ion batteries

Wall mounted lithium ion batteries

No featured offers available

We feature offers with an Add to Cart button when an offer meets our high standards for: Quality Price, Reliable delivery option, and Seller who offers good customer service "No featured offers available" means no offers currently meet all of these expectations. Select See All Buying Options to shop available offers.

CloudEnergy manufacture lithium-ion battery products for a wide range of applications, including golf carts, energy storage battery packs, solar solutions and outdoor power. We regard our customers as important partners and provide comprehensive services to meet different needs.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"...The case seems well made and I'm sure at least part of it is metal...." Read more

"... seems to be well made otherwise and look forward to fully testing it soon...." Read more

"...] I like the ease of use and the construction of this unit. I will continue to update my review as time goes by...." Read more

"...I would definitely recommend them to any one looking for high quality batteries and service" Read more

"...I have put it through the ringer and it is performing extremely well...." Read more

"...Both batteries are performing as expected and I expect that they will do so for years." Read more

"...on our off grid setup, and after figuring out the proper setup, they run perfectly. All 4 within 10% of the lowest one...." Read more

"...although I have only a small pv charging them, they have performed exceptionally well." Read more
