

Windhoek energy storage for backup power

Windhoek energy storage for backup power

ConServ is the Distributor for HOPPECKE Batteries, a Germany base company providing a large range of Energy storage solutions including a range of 12volt AGM Batteries for the Leisure market up to Industrial Energy Storage Systems.

ConServ Engineering Services will be able to select the correct Battery System for your application when you need to replace a Battery on an existing Solar PV System or can deliver a solution when you are installing a new Solar PV System to your farm or Lodge. Further we can size, design & deliver Battery powered Backup Systems for your house or office.

ConServ Engineering Services set up a 10kW Inverter System for a Farm in the Erongo Region.

ConServ Engineering Services installed a Inverter System for Alte Kalkofen Lodge in the South of Namibia.
