The Bridgestone World Solar Challenge acknowledges the Traditional Owners of the Countries where our event takes place, and pays its respect to Elders past and present.

Those Countries traversed by our event are those of the Luritja, Pitjantjatjara, Antakarinja, Arabunna, Kakatha, Barngala, Nukunu, Ngadjuri, Narrungga, Kaurna, Wubalawun, Larrakia, Waraj, Kungarakany, Wagiman, Jawoyn, Yangman, Mudburra, Jingil, Warlmanpa, Warrumungu, Kaytej, Anmatyerre and Arrrente peoples.

By Matthew Ward Agius | Cosmos

As Cosmos covers the return of the Bridgestone World Solar Challenge to the 3020km route from Darwin to Adelaide, science enthusiasts with a sporting soft spot might wonder which team deserves their support.

Fortunately, our guide gives you the ultimate rundown of the teams, their story and some very nicely designed cars.

The 2023 event gets underway on Sunday 22 October.
